Risk Statement for *Loan* Applicants

Before you apply for an investment loan for wholesale clients, you must consider:

- whether the *Loan* is right for you; and
- the risks associated with the *Loan*.

We strongly suggest that you obtain independent legal and financial advice to get a better idea of the risks of investment lending and the way in which you can manage those risks.

If you have appointed an Adviser you remain primarily responsible for managing your *Loan*. These obligations include but are not limited to:

- Monitoring your *portfolio*; and
- Determining when your *Loan* is subject to a *Margin Call*; and
- Ensuring that a *Margin Call* does not occur

You and your Advisers should be aware of the following risks:

- exposure to the volatility of the markets (like the stock market) in which *Financial Products* are bought and sold;
- borrowing money to purchase *Financial Products* (gearing) can magnify the financial effect on you of any decrease in the value of the *Financial Products*;
- all *Financial Products* which you buy using the *Loan* proceeds are mortgaged to us to ensure your obligations under the *Loan Agreement*;
- income from your investments and the *Interest Rate* on your *Loan Account* may fluctuate. Also, the time at which you pay interest on your *Loan Account* may be different from the time at which you earn income on your investments; and
- we can make a *Margin Call* at any time on any day.

We require that the maximum amount you owe us at any time is no greater than the *Maximum Gearing Level* (which is the lower of the *Maximum Gearing Ratio* and the *Margin Call LVR*).

The *Maximum Gearing Ratio* is the maximum amount we will lend expressed as a percentage against a *Portfolio*, as determined by us from time to time and notified by being placed by us on the Geared Investments' website.

The *Margin Call LVR* is the *Base LVR* plus the *Buffer* on your *Loan Account* at that time. The *Base LVR* depends on:

- the value of the *Financial Products* supporting your obligations; and
- the proportion of that value (the *Borrowing Limit*) we are willing to lend at that time.

At any time, we can change the *Borrowing Limits* without telling you. Also, the *Market Value* of *Financial Products* may reduce rapidly over a short period.

If at any time the amount you owe us is greater than the *Portfolio Lending Value* plus the *Buffer* we can make a *Margin Call*.

Our website include Case Studies that illustrate some *Margin Call* scenarios.

Notice of *Margin Call*

We will take reasonable steps to notify you of any *Margin Call*. You must satisfy that *Margin Call* whether or not you personally receive it.

In case you are not available to receive a *Margin Call* personally, you should direct us to give notice of any *Margin Call* we make to a person who:

- is always available; and
- is authorised by you to satisfy a *Margin Call*.

It is your obligation to ensure that a *Margin Call* does not occur.

We may provide you notice by means of SMS alert, phone, or email.

You must satisfy any *Margin Call* by the time specified in the Terms & Conditions. The *Financial Products* securing your *Loan* may need to be sold to clear the *Margin Call* without reference to you.

By signing the Application Form you acknowledge that you have read and accept this Risk Disclosure Statement.

You may satisfy the *Margin Call* by:

- depositing money in your *Loan Account*; or
- giving us more *Financial Products* to support your obligations; or
- selling all or some of your *Financial Products* and using the proceeds to reduce the *Loan Balance*.

If you do not satisfy a *Margin Call*:

- we may (but are not obliged to) sell any of or all the *Financial Products* supporting your obligations and reduce the amount you owe us;
- we may sell those *Financial Products* without contacting you first;
- we may sell those *Financial Products* in the order we choose. You should refer to the Terms and Conditions.

Also, there may be circumstances in which we can require you to pay all of what you owe us. Those circumstances include, but are not limited to:

- you do not satisfy a *Margin Call*;
- that at any time on any day your *Current LVR* exceeds 95%.

You should familiarise yourself with the other circumstances in which we can ask you to pay us, as specified in the Terms & Conditions.

Payments to *Loan Account*

Even if you do not draw on your *Loan Account*, the amount you owe us can increase with unpaid interest and unpaid fees and charges we debit to your *Loan Account*.

We charge interest on the debit balance of your *Loan Account*, no matter what sums go to make up that balance.

The balance of your *Loan Account* may increase with unpaid interest, fees and charges sufficiently to require us to make a *Margin Call*.

What you must pay us is not limited to the value of the *Financial Products* supporting your obligations.

You must pay us all amounts you owe us even if:

- the *Financial Products* supporting your obligations are sold and the proceeds are not sufficient to pay all of what you owe us; or
- the *Financial Products* supporting your obligations are of little or no value at all; or
- we reduce the *Borrowing Limit* of a *Financial Product*.

Taxation

You may wish to negatively gear investments you make with *Loan proceeds*. However, it may not be possible to do so.

Interest deductibility is dependent on your personal circumstances and whether the borrowed funds are used to earn assessable income. You should speak to an independent taxation adviser to determine whether you can deduct interest incurred by you on your *Loan Account*.

You have sole responsibility for deciding in which *Financial Products* you will invest. See the Terms and Conditions. We do not:

- recommend any *Financial Products*; or
- give any opinion on the performance of *Financial Products* or the company or trustee that issues *Financial Products*, even if we are willing to lend money against those *Financial Products*.

Drawings on the *Loan Account*

We consider whether or not to fund a drawing on the *Loan Account* at the time you ask us to fund the drawing.

You may ask to draw on your *Loan Account* to purchase *Financial Products* at a date in the future. If the *Portfolio Lending Value* is insufficient at that future date, we will not fund the drawing regardless of the position when you asked for the drawing.
